

Privacy Policy

This website is provided by easyGP a trading name of ZebraWeb Ltd, a private limited company registered at Companies House (Reg company no: 38632778)

ZebraWeb Ltd (hereinafter referred to as under its trading name "easyGP") is committed to protecting the privacy of its customers. This privacy policy applies to the websites managed by easyGP as well as the services and products provided through those sites. From to time we may make alterations to our website and to the products and services provided through it. This, and our commitment to protecting the privacy of your personal information may result in periodic changes to the privacy policy. Any such changes will be posted on this page and we would ask that you refer back to it regularly in order to review any amendments.

Use of the easyGP websites and services indicates your consent to the collection and use of information as described below.

1. What information is collected and how is it used?

We ask you to supply certain information when you sign up with us as a customer. This information includes your name, the name of your business (if applicable), your postal address, email address, telephone number, fax number (if applicable) and how you heard of us. This information will be used in the management of our own database and to enable us to contact you about the service you have requested.

We may also use your email address to send you our regular easyGP newsletters. If you wish you may opt out from receiving these newsletters.

In addition, when you use our website we store your IP address and may use this information to administer our website and help to diagnose any network or server problems. Our website may use cookies to keep track of your use of our website. Information passed to us from your web browser may be stored and used in our internal statistical analysis. We may also automatically collect non-personal information about you such as the type of internet browsers you use or the site from which you linked to our website. You cannot be identified from this information and it is only used to assist us in providing an effective service on our website.

2. Do we share the information with anyone else?

easyGP will not, without your consent, divulge your personal information to a third party except in the following circumstances:

2.1 in order to register a domain name we are required to send your name, business name (if applicable), postal address and email address to organisations that formally record the registration; this information may be available to others via a "Whois" search;

2.2 if required to do so by law or by any organisation with appropriate authority;

2.3 to any financial institution with whom we hold an account for the purpose of verifying credit status and / or validating financial transactions;

2.4 we may provide aggregate statistics about our sales, customers, traffic patterns and other site information to third parties, but these statistics will not include any information that could personally identify you;

2.5 as part of a sale or transfer of the shares and/or assets of easyGP Limited.

easyGP Limited is not responsible for the privacy practices of other companies or websites.

3. How long will we hold data on you?

easyGP will not hold data for longer than is reasonably necessary for the purposes of the proper conduct of its business or as required by law.

4. Where is the data we hold stored?

Information which you submit to us is stored on a computer and sometimes on paper at our offices located in the European Economic Area. This is necessary in order to process the information and to send you any information you have requested.

5. Security

easyGP places great importance on the security of all information associated with its customers and has security measures in place to attempt to protect against the loss, misuse and alteration of customer data under our control. For example, our security and privacy policies are periodically reviewed and enhanced as necessary and only authorised personnel have access to user information.

6. Links to Other Sites

The easyGP website contains links to other websites. No personal information is passed to other websites if you follow one of these links. easyGP is not responsible for the privacy practices or content of linked websites. We would encourage you to read the privacy statements of other websites, since their privacy policy may differ from ours.

7. Changes to Personal Information

If you need to change the information that we keep, for example because you have moved or to correct an error, please contact us.

8. Consent

Use of the easyGP.co.uk website and services indicates your consent to the collection and use of information as described in this policy. Any changes to the policy will be posted on this page.

9. Governing Law

easyGP Limited is a UK company and this privacy policy is intended to be interpreted under English law.
