

IMPORTANT CHANGES AT THE PRACTICE

Dr Graham McCormack Takes on New Role!

Dr Graham McCormack is taking over as the lead General Practitioner at our Market Overton Surgery. We see this as an important project over the next few years, and wish him well as he develops our new service provision across our sister practices. He will hand over his Oakham patient list to Dr Sundeep Gupta from 1 March, and take over the reins at Market Overton fully in May 2010.

Dr Gupta qualified as a General Practitioner in July 2008 and has most recently been employed as a salaried GP setting up a Darzi Walk in Centre in Wolverhampton.

Dr Adrian Rees is leaving after 4 years in Oakham!

Dr Adrian Rees is leaving the practice at the beginning of February after 4 years as a Partner in Oakham. He is due to marry at around the same time and he has decided to move closer to the marital home in Leeds. The partners and team at Oakham extend their very best wishes for the future to Adrian, and wish him the same level of success that he has enjoyed in Oakham in his new venture.

He will be replaced by Dr Gillian Dewar, who has just completed a 12 month appointment in New Zealand following her qualification as a General Practitioner in 2008.
