RR read a letter of complaint, regarding an incident at the Gathering (RVS).
A person attending the Gathering had a problem, and the letter writer felt it took far too long to get the help and support, which had been requested. The Surgery had been approached to ask for the Paramedic to attend, but the *Paramedic can only be accessed via 999. An Ambulance was subsequently requested, and attended.
The letter was discussed, and Chris James agreed to respond.

CD reported the INR service, which had been withdrawn, is now to continue. The CCG feel it is a worthwhile service.

HA Day

LM is to measure Glendale Hall, to see exactly how many tables we can set up.
RR to speak to Carers Northumberland, with a view to attending, or providing information.
JC had spoken to Beth Mills attending re cycling and fitness, and Beth may be able to offer some funding towards the day.
CD will request Practice Nurse to attend the day for 2 hours [2-4pm](#).
Midwife and Health Visitor also to be invited, CD will provide e mail for HV.
RR to contact Locality Lead for Community Nurses.

Posters were discussed, it was agreed the title of the day would be " Your Health Matters ", with a strap line of "Help Us To Help You "
It was felt the posters would be best on coloured paper, with black writing.
Chris James offered to draft a Poster for the next meeting.

Citizens Advice Bureau to be asked for info leaflets .
RR to write to Real Food Works, as all phone and e mail attempts to contact have failed.
