

MINUTES OF HEALTH AWARENESS DAY MEETING ON 13 JAN 2015

Present : Lorna Moore, Mike Allport, Jan Clucas, Rosanna Reed, Caroline Douglas, Chris James, Christine Short.

Apologies : Sue Wade, Teresa Culbertson, Liz Veevers.

Posters were discussed, two posters had been presented, it was decided that the poster with a yellow background would be used to cover Wooler and surrounding villages, and would be printed at Fantasy Prints. 40 are to be requested. MA has agreed to forward the poster to the printer for costs. The other black and white poster will be used to leaflet every house in Wooler, in an A5 size. We will need around one thousand, and we are hoping to get those printed by the Surgeries.

CD will organise printing of labels for each table on the day, with each attendee named. RR to send list to CD.

RR and LM will set up tables at the Glendale Hall, to see exactly how best the room can be set up.

CJ has agreed to do a press release a couple of weeks before the HA day.

There will be a coffee morning in the Glendale Hall on Wednesday, March 4th, to raise funds , mainly towards the cost of the Microwave Cookery Demonstration. MA will design posters to be displayed round Wooler and district, maybe about ten.

There will be a raffle, cake stall and tombola. We will need contributions for all these stalls, and volunteers on the day.

It was requested that CD and CJ ask the surgery staff if they could contribute some baking or anything they can.

Please could as many of the Patient Groups from both surgeries attend the next meeting, as we need to finalise arrangements for the coffee morning, need and would very much appreciate help.

All input into the HA day is also very valuable, as we still have quite a bit to do.

There is to be a CCG Northumberland Patient Forum on Jan 31st at Morpeth TC and RR to attend .

There is also a North Area Patient Forum at Alnwick on Feb 5th. LM to attend.
